Beginners

Course overview

Immerse yourself in the five film wonders of French cinema, deepening your knowledge, understanding, and appreciation of 21st-century international filmmaking. Discover the magic of these cinematic gems and broaden your love for the art of film.

Course description

Moving slightly beyond the well-trodden historical path of French New Wave and even the Cinema du look of the 1980s, you'll explore the themes, influences, techniques and voices behind some captivating French cinema from relatively more recent years – have things changed? Are there still some factors parallel to earlier works? Films explored: The Intouchables / Untouchable (2011), Leon: The Professional (1994), 120 BPM / Beats per Minute (2017), La Haine (1995), White Material (2010).

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
