Course overview

Explore the world of care work with this introductory course. The course is aimed at anyone who would like to explore and broaden their interest in working in the care sector. We will cover the basics including the national standards and values required set by regulatory bodies to work in care. You do not need any special tools to attend, just yourself and some enthusiasm. Start your wellbeing journey today by registering for this course.

Course description

This course is suitable for beginners and anyone who wants to develop and improve their knowledge, understanding and skills in working in care.

Care work is integral and plays an important role in those receiving care.

If you are looking for a career in care or to develop your knowledge, you will learn from an experienced tutor.

On this course, you will explore how understanding and applying person-centred care, dignity and respect, consent, safety and safeguarding the following (and more) can develop you in your role in care work.

This course is based on an online face-to-face teaching in a warm, and relaxing group setting.

In addition to the course content, citizenship, employability and digital skills will also be embedded in the programme.

Assessment of learning will be done regularly throughout the course.

Information, advice and guidance will also be given to enable further course/professional progression.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
