Course overview

This course is designed to enhance your photography skills and take your craft to the next level. Whether you're an aspiring professional photographer or simply passionate about photography, this course will provide valuable insights and practical techniques. At WEA we offer a supportive and collaborative learning environment where participants can exchange ideas, receive constructive feedback, and elevate their photographic skills to new heights. While the course doesn't lead to formal qualifications, it provides an excellent platform for building a portfolio. You'll have the chance to experiment, refine your techniques, and create a body of work that reflects your unique vision.

Course description

Embark on a captivating journey into the world of photography with our immersive course. Designed for photography enthusiasts of all levels, this course offers a comprehensive exploration of the art and craft of photography, from fundamental techniques to advanced concepts. This course covers a range of topics related to photography, including camera operation, composition, lighting, and post-processing techniques. You'll explore different styles of photography, from macro, landscape, documentary, and experimental approaches. Discover your unique photographic style and find inspiration in diverse subject matter. Expect practical assignments, creative challenges, and opportunities to develop your visual storytelling skills.

On this course, you will have the opportunity to discuss your progress with the tutor. You will also be able to set your own personal learning goals and get one to one support towards achieving them. The friendly atmosphere will offer the opportunity to learn new skills at your own pace.

The course will support adults on their journey to learn skills which help them progress either in work or life. Alongside the potential economic benefits, the course is intended to reduce loneliness and make people happier, healthier, more confident, capable, and more resilient.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
