Course overview

Part of the WEA Art and About Festival 2024! Art in the Olympic (South) Park Walking Tour explores the public artworks in the south side of the Queen Elizabeth Olympic Park. It is the first Olympic Park to integrate artworks into the landscape right from the start by established and emerging artists, international and local, which reflects the Park's identity and is the home to West Ham's Football Stadium. Discover artworks that are both large and striking, whilst others are smaller and harder to find, inspired by the undulating landscape, riverside, buried histories, community memories, and Olympic glory. The meeting point is the ArcelorMittal Orbit by Sir Anish Kapoor.
