Course overview

This is a FREE 3-week course which is designed to equip you with the skills and knowledge necessary to become proficient in the application of express lashes. Express lashes, also known as cluster lashes or party lashes, are a popular semi-permanent lash enhancement technique that offers people a quick way to achieve fuller, longer-looking lashes. Throughout this course, you will learn the fundamental principles of express lash application, including lash selection, preparation, application techniques, and aftercare. Emphasis will be placed on mastering safe and efficient application methods to ensure peoples satisfaction and retention. This course is open to everyone as it is aimed at a beginners level.

Course description

This is a 3-week course will be delivered over a 2 and half hour sessions, where you will learn through group discussion, handouts to follow, tutor demonstrations & guidance and of course practical activities. You will apply lashes to each other and learn how to maintain them to ensure they last.

The course is aimed at beginners, so everyone is welcome to attend this FREE course. Whether you just want to save money on paying someone to apply them for you, want to apply lashes to family and friends or if you are an experienced beauty professional looking to expand your skill set. This course is for you. Thorughout the course we will cover an overview of express lashes, the importance of a consultation and expectations, Health & safety including allergic reactions and reasons to not perform a treatment. Once you have learnt the practical element we will also cover the aftercare & maintenance.

By the end of the course, you will have the confidence and expertise to perform express lash application safely and effectively, meeting the growing demand for this popular beauty service and enhancing your professional career opportunities.
