## **Course overview**

Do you want to gain more confidence in using digital skills to communicate online. If the answer is 'yes!', then join this course. This course is for learners with little or no experience of digital technologies who want to develop better digital skills. If you struggle with using digital skills to communicate online, using WhatsApp, social media and drafting emails this course can help you feel more comfortable with digital communication. The course aims to boost your confidence by teaching the techniques and digital skills you need to improve your online communication skills. Take the first steps to Improve your digital skills for learning, life, and work.

## **Course description**

This online communication course offers you learning for life and work. You will learn how to communicate safely online to help you in your everyday life. The course is designed to encourage you to experiment, problem solve, and gain confidence in communicating using digital technology, with the hope that it will benefit them in their everyday lives.

Upon completion, you will not only gain confidence and gain a better understanding of

using digital tools for communication but also see improvement in your day-to-day capabilities.

Your learning is our priority. The WEA is an adult education provider, and we pride ourselves on our ability to create a friendly classroom atmosphere, in person and

online.

Your tutor will support you through your learning journey, every step of the way.

Most of our courses are free for most of our learners. Please note that you need to get to the end of the enrolment process to see the discounts.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
