Course overview

Welcome to Creative Conversations, an innovative ESOL course designed to improve your English speaking skills through engaging in practical and artistic activities such as arts, crafts, and basket weaving. This course combines language learning with hands-on projects, providing a unique environment where you can practice conversational English while creating beautiful and functional items.

Course description

Immerse yourself in the English language through the engaging and hands-on world of arts, crafts, and basket weaving. Creative Conversations is an innovative ESOL course designed to enhance your speaking and conversational skills by integrating practical artistic activities. This unique approach to language learning provides a relaxed and creative environment where students can practice English naturally while working on various craft projects.

Throughout this course, students will participate in guided conversations and collaborative projects that encourage the use of English in real-life contexts. From basic paper crafts to advanced basket weaving, each session focuses on developing both language proficiency and practical skills. This course is perfect for beginner to intermediate ESOL learners who enjoy creative activities and want to improve their spoken English in a fun and supportive setting.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
