## **Course overview**

Continue your ESOL studies over the summer with this 5 week short course. This is a short course so that learners do not have to have a gap between studies if they so wish. The course will concentrate on beginners ESOL skills for learners going into entry 1 or entry 2 in September and are wanting to upskill ready. The classes will revolve around the skills of speaking, listening, reading and writing. The class is run by a qualified and experienced tutor who will help you develop, improve and provide feedback throughout the course.

## **Course description**

This course is ideal as an additional course for anyone going onto studying entry 1 or entry 2 in September or preparing for employment here in the UK. Also, for learners who want to continue to use their English skills over the summer and keep practising their second language.

You will upskill your main ESOL skills; speaking, listening, reading and writing in an easy going and relaxed environment.

This course is offered 2 evenings per week with qualified tutors who will support you throughout, you will engage with other like minded people on the courses and the course is offered exclusively online.

Timetable;

Monday and Wednesday evenings 6pm - 8.30pm.

Monday 29th July to Wednesday 28th August. Please note that there is a class on bank holiday Monday 26th August.

To ensure most success on this course you need to be at least entry 1 in your ESOL skills. This will be checked prior to the course and confirmed with a diagnostic assessment at the start of the course also. Please expect a call from a member of the WEA team to discuss your ESOL level and to identify whether this course is the right fit for you after you apply if you are not a continuing learner.
