Course overview

This pre-entry level ESOL course will help you to communicate basic ideas in English. You will practise reading, writing, speaking and listening, with a focus on conversation skills. You will also learn new vocabulary, improve your pronunciation, and start to learn about basic English grammar. You will work with other learners at a similar level and be expected to take part in pair and group activities in the classroom.

Course description

This is an English course for adults. You will develop basic English language skills. Before you can enrol on this course, you'll do a skills check. This is for us to make sure you get on the right course for your level.

Please note that you'll need an internet connection to study this English course for beginners. This is so you can access our digital learning platform, Canvas. We use Canvas for homework, and also for tasks and activities in the classroom.

You will need to use your phone in class to work on Canvas, and you should also bring a notebook and pen or pencil.

On this course you will learn to:

- use numbers 1 to 50 in English.
- write with upper case and lower case letters
- ask and answer simple questions
- say the letters of the alphabet so you can spell out your name
- read and understand basic sentences

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
