Course overview

Discover the wonderful world of the English language with this Pre Entry ESOL course. It will help you to develop your Speaking and Listening, Reading and Writing skills in English. Whether you have studied basic English before or you are completely new to it, You will find value in this ESOL course. Develop your language skills to enable you to ask and respond to everyday questions in verbal exchanges too, listen for information and specific purposes and writing. You do not need any special tools to attend, just yourself and some enthusiasm. Start your language journey today by registering for this course.

Course description

On this ESOL course, everyday life will be explored (for example, shopping, health, local area and services).

This course is based on face-to-face teaching in a classroom setting.

You will learn about:

Recognising basic words

Asking Asking and answering basic questions questions

Forming letters correctly

Using capitalisation and end of sentence punctuation

In addition to language structures; citizenship, employability and digital skills will also be embedded in the programme.

Assessment of learning will be done regularly throughout the course.

Information, advice and guidance will also be given to enable further course/professional progression.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
