Pre-Entry

Course overview

This course is designed for students with a basic level of English who are aiming to improve their reading skills and achieve a good score in the IELTS Reading module. Through a variety of engaging activities and targeted exercises, you will develop essential strategies for tackling different reading text types found in the IELTS test.

Course description

What you will learn:

Essential vocabulary and grammar for academic reading

Techniques for identifying key information and understanding text structure

Strategies for approaching different reading task types (e.g., identifying main ideas, summarising information, completing sentences)

Critical thinking skills to analyse and interpret information

Time management skills to effectively complete the reading section within the allocated time

How you will learn:

Interactive lessons led by experienced instructors

Practice exercises with a variety of IELTS-style reading passages

Group discussions and peer review activities

Individualized feedback and support to address your specific needs

Access to additional learning resources and practice materials

Benefits:

- Increase your confidence in reading academic texts
- Develop effective test-taking strategies
- Improve your overall English language proficiency
- Prepare for success in the IELTS Reading module
- Who should take this course:

This course is ideal for students who:

- Have a basic understanding of English grammar and vocabulary
- Are planning to take the IELTS test for further education or migration purposes
- Want to improve their reading skills for academic studies"

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
