## **Course overview**

Discover the wonderful world of the English language with this Pre Entry ESOL course. It will help you to develop reading skills in English. Whether you have studied Pre Entry ESOL before or you are completely new to it, you will find value in this ESOL course. Develop your basic English skills to enable you to recognise the alphabet, simple words and sentences, letter formation and punctuation. You do not need any special tools to attend, just yourself and some enthusiasm. Start your language journey today by registering for this course.

## **Course description**

On this ESOL course, everyday life will be explored (for example, shopping, health, local area and services) in the reading context.

This course is based on face-to-face teaching in a classroom setting.

You will learn about:

- Alphabet
- Vocabulary
- Pronunciation
- Writing
- Punctuation

In addition to language structures, citizenship, employability and digital skills will also be embedded in the programme.

Assessment of learning will be done regularly throughout the course.

Information, advice and guidance will also be given to enable further course/professional progression.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
