Course overview

Discover the wonderful world of the English language with this beginners ESOL course. It will help you to develop basic speaking, listening, reading and writing skills in English. Whether you have studied basic English before or you are new to it, you will find value in this ESOL course. Develop your language skills to enable you to recognise simple words, prepare to write, ask everyday questions and answer them using correct grammatical structures. You do not need any special tools to attend, just yourself and some enthusiasm. Start your language journey by registering for this course.

Course description

In this ESOL class we will talk about our everyday lives (for example, shopping, health, where you live). You will start to learn about the alphabet and numbers. You will practise asking for and giving basic personal information about yourself. You will learn new words and start to develop your reading and skills.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
