## **Course overview**

The course will introduce you to how a Gelli plate can be used with a variety of items to create prints on both paper and fabric. Come along and join the class as you develop new skills or add to previous knowledge. Whether you are a beginner or have previous experience, this course is ideal for anyone with a positive attitude to learning.

## **Course description**

This course is open to adults and requires no previous experience. We will look at the ways a gelli plate can be used to print a variety of images using different items.

The course will give you an opportunity to share ideas and knowledge as well as helping improve confidence and wellbeing.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
