Course overview

The role of the community interpreter is an integral part of our changing communities and increasingly important. The interpreter acts as a bridge between communities and enables people to access the services they need and approach situations which otherwise would not be possible. The Level 2 Certificate in Preparing for the Community Interpreting Role enables learners who are speakers of other languages to develop the language and skills necessary to go on and train as Community Interpreters at Level 3 and Level 4. This is the ideal qualification for anyone who wants to enter the interpreting profession and become a paid interpreter or volunteer in the UK. This course is funded by the West Midlands Combined Authority.
