Course description

Google is one of the biggest search engine platforms today. Whether you're a small business owner, charity worker, community service operator, or local artist, having a presence online and using Google Document can help you get in front of your target audience.

Understanding Google Document can help you manage your online administration.

This course is based on face-to-face teaching in an online setting.

On this course, you will learn about:

- How to use Google Document
- How to create Google Document
- How to edit Google Document to be more productive

In addition to the content, citizenship, employability, and digital skills will also be embedded in the programme.

Assessment of learning will be done regularly throughout the course.

Information, advice, and guidance will also be given to enable further course/professional progression.
