Course overview

Attend our Employability course and boost your skills for work. If you're entering the workforce for the first time or after a long break, this course can teach you essential skills employers look for and prepare you for the transition. Learn basic skills for jobs in any sector as well as key soft skills for your CV. Feel confident stepping into the workforce. This course will provide you with the soft skills required to get that job and give you the confidence and self esteem to sell what you have to offer to potential employers.

Course description

Introducing our Employability Skills Course, designed to equip individuals with the necessary tools to excel in the competitive job market. Whether you are starting a new career or returning after some time off, our course offers a comprehensive approach to building essential skills.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our

education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
