Course description

Who should take this course?

This course welcomes participants of all backgrounds, whether you are new to gratitude journaling or eager to deepen your understanding.

What will you learn?

Throughout the course, you will explore the transformative power of gratitude journaling. Each week delves into different aspects, from uncovering the science behind gratitude and its positive impact on mental health to experimenting with creative journaling techniques. You will reflect on how past experiences shape your perspective and discover how cultivating gratitude can lead to personal growth and empowerment. Guided by our experienced tutor with a mental health background, the course combines interactive discussions, individual journaling exercises, and group activities to help you establish a daily practice that promotes positivity and enhances overall

wellbeing.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
