## Course overview

This course will provide comprehensive instructions on various aspects of sewing, catering to beginners as well as intermediate and advanced levels. You'll be introduced to various sewing projects, all of which you can take home. While all materials are provided, feel free to bring your sewing kit if you have one, including scissors, needles, and thread. This practical course involves a lot of hands-on activities, and there will also be opportunities to take notes of hints and tips along the way.

## **Course description**

Learning various aspects of sewing to create various craft projects. You will learn about the fabrics that can be used and where you can purchase at a reasonable price and how to select the appropriate fabric for various sewing projects along with all the available accessories to adorn your projects.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
