Course overview

Welcome to the Level 1 Dressmaking course! This course is designed for beginners and improvers and will follow on from our Dressmaking for Improvers course. We will cover the basics of dressmaking. You will learn how to use a sewing machine, take measurements, and follow simple patterns. You will also learn from each other about little tricks you can use in sewing. The course includes practical projects where you will create your own garments. By the end of the course, you will be able to sew basic dresses and make simple alterations. Join us to develop your sewing skills in a supportive and friendly environment!

Course description

Welcome to the Level 2 Textiles and Dressmaking Course! This course is perfect for those who have some basic sewing skills and want to learn more advanced techniques. In this course, you will improve your sewing skills and learn about different types of fabrics. We will teach you how to handle various materials and choose the best fabric for each project. You will learn advanced sewing techniques

like making darts, pleats, and inserting zippers. We will also show you how to make buttonholes and attach buttons. You will practice designing simple clothing items and work on more detailed projects. These projects will help you understand how to create garments that fit well and look professional. Our friendly experienced tutor will guide you through each step, offering help and advice whenever you need it. Throughout the course, you will work on several garments, such as a blouse, a pair of pants, or a simple jacket. By the end of the course, you will have completed these projects and gained the skills to tackle more complex dressmaking challenges. Join us and take your dressmaking skills to the next level! This course is a great opportunity to enhance your creativity and start designing and making your own stylish clothes.
