Course overview

An introduction to machine sewing for beginners. Learn how to use a sewing machine for a variety of projects. Understand sewing vocabulary, basic sewing techniques, types of stitches. Understand the function of bobbin in machine sewing for even smooth stitching. Troubleshoot problems as they occur.

Course description

Learn how to use a sewing machine with confidence to develop a skill and save money. Recognise and learn sewing vocabulary and experience the satisfaction and fulfilment of creating your own sewing projects.

You'll learn to make:

- a patchwork pincushion
- a recycled tote bag
- a face mask.

By doing this sewing machine course, you will get a good understanding of how to use a sewing machine, supporting and strengthening family ties, supporting family finances, upcycling, improving health and wellbeing.

Once you've completed this course, you will have the opportunity to progress onto a machine sewing for improvers course or machine sewing to start a business.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
