Course overview

This course is aimed at confident sewing students. You will develop higher level sewing and textile skills and be able to choose, document and finish your own sewing projects to a professional level under supervision.

Course description

Plan a more complex sewing project and learn to refine your budgeting, measurement, pattern management, fabric handling, sewing machine and hand-sewing skills. Plan and deliver one project to a professional standard this term.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
