Course overview

Many of us live in style. This course is specially designed for them. On this course you will not only learn to construct interesting projects but use them practically. While creating these lovely projects you can meet like-minded people in the group. This course will help you to concentrate and enjoy the moment while creating projects that are useful, creative and sustainable.

Course description

If you want to live with style and create unique projects for you and your family, this is the course for you. Or you can gift these beautiful articles to your family and friends they will not only enjoy using those but also cherish it.

You can gain confidence in making these articles with your live zoom session in the comfort of your own home. Your tutor will guide you at each step of its construction. At the same time, you will be increasing your knowledge in using different sewing techniques while operating your sewing machine. Live demonstration of tutor will make it easy for you to achieve success. Either you are a beginner or improver this course is ideal for you.

On top of that you will be guided on trouble shooting as they occur while working with sewing machines.

Make a draw string Pouch for stowing away essentials in your purse. Make a bento bag with flatware roll. And a purposeful fabric bucket according to the size of your choice.
