Course overview

This course aims to introduce students to the art of portraiture in a relaxed and supportive environment. You will learn how to draw the face and features correctly with a final project. This class is ideal for beginners who would like to learn new skills or improve old ones.

Course description

This course introduces the basic techniques used in portraiture. Working from enlarged photographs, students learn to accurately draw the head, neck and face and to use light, shade and colour to create a likeness. The course finishes with a personal painting project.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
