Course overview

The aim of this course is to introduce you to portrait art work. You will be guided by a talented tutor looking at current artists as well as the opportunity to build your own techniques and style.

Course description

This course will offer you the opportunity to explore what makes a successful portrait. You will be introduced to different Artist's work, considering how they use a variety of techniques and styles to help them represent another's personality and character.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
