Course description

Welcome to the Italian Beginners Course! In this course, you'll embark on an exciting journey to learn the basics of the Italian language. Through fun and interactive lessons, you'll discover essential vocabulary and pronunciation. Start by mastering common greetings and expressions, then progress to basic conversations about everyday topics like food, travel, and hobbies. You'll learn to order in a bar, discuss friends and family, and ask for simple touristic information. Along the way, explore Italian culture, traditions, and landmarks to deepen your understanding and appreciation of the language. Our lessons will incorporate interactive dialogues, listening comprehension, role-playing, and cultural insights, ensuring a well-rounded and engaging

learning experience. By the end of the course, you'll feel confident introducing yourself in Italian and engaging in simple conversations. You'll be able to greet people, talk about your interests, order food and drinks, and ask for directions. Regular participation, quizzes, oral practice, and a final project will be used to assess your progress. Whether you're planning a trip to Italy or simply love the language, this course will provide a strong foundation for your Italian journey. Let's begin this adventure together! Buon viaggio! (Have a good journey!)

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
