Course overview

This course is for students to improve confidence in their ability to develop artistic skills and creativity. Learning the skills of a variety of crafts to make unique dimensional projects, using a variety of resources including recycling when possible. You will learn using a range of different teaching and learning activities to include watching and following step by step demonstrations, with one to one help and guidance. You will learn in a safe welcoming and supportive environment, working together with fellow students and the tutor. The course is suitable for a complete beginner in crafts. No prior knowledge is needed, just a desire to learn and develop your skills and creativity.

Course description

This course will explore a range of possibilities to inspire creativity. Join us for this practical course which is aimed at learners with an enthusiasm to craft. You will have the opportunity to explore creative ideas and learn some techniques for making items with a personal touch to brighten your day as well as your friends and family. The projects will be discussed at the start of the course and different items made together each week. We will craft along together step by step during the sessions. There will be plenty of opportunity to ask questions and share ideas. By building upon skills learnt this may inspire you with the confidence to experiment with independent projects as well. This course is ideal for enthusiastic crafters and those building confidence in crafting wanting to experiment with different ideas.

The course takes place in a safe, welcoming, and supportive environment, fostering collaboration among students and the tutor. Participants will have the opportunity to work together, share ideas, and inspire each other as they learn new techniques and hone their craft.

Whether you're looking to develop a new hobby or enhance your creative skills, this course provides the perfect foundation. Join us to explore your creativity, learn new crafting techniques, and make unique projects in a friendly and encouraging setting.
