Course overview

In this course you will cover the following : Understand how to deal with health and safety issues in the home Understand how to secure a new home Know how to clean different areas of a new home. Know how to maintain a garden area Know how to maintain the decoration of a new home.

Course description

Being able to maintain a property can form part of your tenancy agreement so its important that maintenance to the home and outside areas is carried out in the correct manner.

Your tutor will be able to identify the key areas of the home that need to be maintained regularly and the best times of the year to carry out the different tasks involved.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
