

## Course details

### Course title

Nature, Ecology & Permaculture: An introduction to Water and Plastic Pollution in the Environment

### Course code

Q00017798

### Course date

Start: 10/07/25

End: 17/07/25

### Number of classes

2 sessions

### Timetable

Thu 10th Jul, 10:00 to 13:00

Thu 17th Jul, 10:00 to 13:00

### Tutor

Lee Armon

### Fee range

Free to £25.20

### How you'll learn

You'll join a small group of fellow learners for classes at the venue indicated. Some materials may be provided in our virtual learning environment.

Neetside Community Centre (Bude)

The Crescent

Bude  
EX23 8LB

## **Level of study**

Beginners

## **Course overview**

We will discuss the main sources of water pollution and the types of water pollution. We will list the major sources of water pollutants; describe the effects on water due to organic materials, plant nutrients and toxic, physical, and biological pollutants; list the main diseases caused by microorganisms that can be carried by water.

## **Course description**

At the end of the lesson participants are asked to list at least three actions we can take as

individuals to improve water pollution their everyday life. They should know what is meant by

sustainable development and can discuss what makes a goal sustainable/unsustainable.

They can review the progress towards an SDG. They will understand the meaning of environments,

habitats , ecosystems, and water pollution.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
