Course overview

This comprehensive course integrates four key areas to enhance your learning experience: using Canvas for online education, developing essential study skills whilst preparing you to achieve ESOL Speaking and Listening Entry Level 3. Ideal for learners looking to improve their digital literacy, English language proficiency, and study techniques, this course provides a holistic approach to academic and personal growth. The course is delivered by an experienced ESOL tutor that will support you through your learning journey. By the end of this course, you will have a

solid grasp of digital learning tools, enhanced English language skills, effective study habits, and a valuable ESOL qualification.

Course description

"This all-in-one course is designed to help you improve your digital skills, English language abilities, and study techniques. You will start by learning how to use Canvas, an online learning platform, to access materials, submit assignments, and join discussions. This will make your online learning experience smoother and more efficient.

Next, you'll prepare for the ESOL Speaking and Listening EL3 exam. Through practical exercises like conversations and listening activities, you'll improve your English fluency, pronunciation, and understanding. This part of the course is tailored to help you communicate better in everyday situations.

The course also focuses on essential study skills. You'll learn how to manage your time, take effective notes, and prepare for exams, making your study sessions more productive and less stressful.

By the end of this course, you'll be proficient in using digital tools, more confident in speaking and understanding English, and equipped with valuable study skills. Join us to enhance your learning journey and achieve your goals."
