Course overview

The "Entry Level 3 English Writing" program is designed to enhance your writing skills while introducing you to basic computer usage and online learning platforms. This course covers essential computer skills, navigating the Canvas platform, and achieving the Entry Level 3 English Writing qualification. Through interactive lessons and practical exercises, you'll gain confidence in using technology and improving your writing abilities.

Course description

"The "Entry Level 3 English Writing" program is crafted to help you develop fundamental writing skills in English while familiarising you with essential computer usage and online learning tools. The course is divided into three key components:

1. **Understanding Your Computer:** This module introduces you to the basics of using a computer, including turning it on and off, navigating the desktop, using a mouse and keyboard, and understanding basic software applications. You'll build confidence in handling a computer, an essential skill for modern learning and accessing digital resources.
2. **Using Canvas to Learn:** In this section, you'll learn how to use Canvas, a widely-used online learning platform. You'll be guided through logging in, navigating the interface, accessing course materials, submitting assignments, and participating in discussions. This will enable you to make the most of online learning resources and enhance your digital literacy.
3. **Entry Level 3 English Writing Qualification:** This core module focuses on improving your writing skills in English. You'll engage in activities designed to enhance your writing abilities, including sentence structure, grammar, punctuation, and composing different types of texts. Practical exercises will help you apply these skills to everyday situations, preparing you for further education and various real-life contexts.

By the end of the program, you will have developed a solid foundation in using a computer, navigating online learning platforms, and improving your English writing skills, setting you up for success in further education and daily life."
