Course overview

This is part 2 of Advanced pre-entry ESOL. This course will be held at Foleshill Women's Training in Coventry. You will have ideally completed part 1 of Advanced Pre-entry ESOL. This course is suitable for anyone who has a good base level of English and is looking to develop further. This can be great if you are looking to get into work or just want to improve your confidence in English. Our expert tutors will help you improve your skills and work towards your personal goals. This course is funded by the West Midlands Combined Authority and is run by the WEA.

Course description

In part 1 of Advanced ESOL, you will have continued to develop your English to prepare you for applying for work, which will also help with basic communication skills. This advanced course is for people who live in Coventry and are an advanced level in English. It is a face-to-face course. You will continue to develop some of the language needed to apply for work and also at work. You will practise your speaking and listening skills alongside reading and writing in English. We will help you to start becoming more confident to talk to people in English in your local community and also to become more independent so you don't have to rely on others to translate everything. You will now have better English to help you communicate when applying for jobs or looking for alternative roles or promotions. Some of the things we will cover in this half of the course include:

- Write full paragraphs accurately
- Identify purpose of different pieces of text
- Follow instructions correctly

After you have completed this short course, you can move on to further courses in English for Speakers of Other Languages (ESOL), maths, digital skills or other work-related skills. Some of these courses lead to formal qualifications.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
