Beginners

Course overview

To improve skills and knowledge through personalised learning and support progress towards further independence.

Course description

An introduction to working with clay where learners can use basic techniques, gain an understanding and the more able can develop their own ideas. Numeracy and literacy skills are incorporated where appropriate.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
