Level of study

Pre-Entry

Course overview

This is part 1 of Advanced pre-entry ESOL. This course will be held at Foleshill Women's Training in Coventry. You will have ideally completed part 1 and part 2 of Intermediate Pre-entry ESOL. This course is suitable for anyone who has a good base level of English and is looking to develop further. This can be great if you are looking to get into work or just want to improve your confidence in English. Our expert tutors will help you improve your skills and work towards your personal goals. This course is funded by the WMCA and is run by the WEA.

Course description

In the Intermediate ESOL course, you will have started to develop your English to prepare you for applying for work and helping with basic communication skills. This advanced course is for people who live in Coventry and are intermediate level in English. It is a face-to-face course. You will continue to learn some of the language needed to apply for work and also when communicating at work. You will practise your speaking and listening skills alongside reading and writing in English. We will help you to start becoming more confident to talk to people in English in your local community and also to become more independent so you don't have to rely on others to translate everything. This will help you to apply for jobs if you are looking for work or for an alternative role. Some of the things we will cover in this course include:

- Make notes from pieces of text
- Participate in discussions by asking and answering questions and giving your opinion
- Using punctuation correctly

After you have completed this short course, you can move on to Part 2 Advanced ESOL, further courses in English for Speakers of Other Languages (ESOL), maths, digital skills or other work-related skills. Some of these courses lead to formal qualifications if you want to continue studying further.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during

your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
