Course description

This course is suitable with learners who wish to improve their English to get ready to apply for a job, who are unemployed and looking for work and who also have English as a second language. Learners with English as a second language, who are looking for work and receiving benefits and aged 19 plus are eligible. If you are in receipt of work-related benefits. This course will help you to learn basic English to help you to work towards getting the job that you want. You will learn basic English that you can use to apply for jobs and prepare for interviews.

This is a course that will help develop your skills in speaking, listening, reading and writing skills in English with employability as its main focus and the idea to help you in your journey towards gaining employment here in the UK. Whether you have studied English before or you are completely new to it, you will find value in this ESOL with employability course. Continue to develop your language skills to enable you to work here in the UK and build your confidence in your lives in the UK. You do not need any special tools to attend, just yourself and some enthusiasm. Continue your language journey with us today by registering for this course.

On the pre-entry ESOL language for work course you will study the use of English in the workplace, the type of jobs that are available and develop more self confidence in applying for a job. You can use this language to update or create your CV, to apply for jobs and write cover letters and to help you to prepare for job interviews.
