Level of study

Level 2

Course overview

This course is essential for learners who are learning via online and using the Canvas as a virtual learning environment. The course will cover essential skills such as how to log onto the canvas, how to upload assignments on the canvas, send emails using the canvas inbox and use zoom. This training equips you with essential skills on how to learn effectively using the canvas and zoom applications. By the end of the course, you'll be both confident and proficient in using the features on both the canvas and zoom to successfully complete your learning online. This course is funded by the West Midlands Combined Authority.

Course description

Learners will be able to use all the essential features on the canvas such as using the canvas inbox to send messages, access course resources, use the discussion board to share session note, access the announcement feature for tutor announcements, upload assignments, check assignment grades and also type in their reflections on their learning at the end of each session through using the learner diary.

Learners will also be able to log into the zoom through the link on the course canvas page and learn how to blur their background on zoom, rename themselves, use the whiteboard features, how to send messages on chat and share documents. This course will help you to prepare to move on to your accredited level 2 Award in support work in schools and colleges qualification.

By the end of the course you will be able to use zoom, log into your online learning platform (Canvas) and navigate your way around. You will be able to upload your work to Canvas to demonstrate what you have learned and you will learn how to use an inbox within Canvas to send and receive messages. You will also be able to use Microsoft word to complete, update and edit your work.

This course is funded by the West Midlands Combined Authority.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
