Course overview

This introductory course is designed for learners aiming to build foundational English skills at Entry Level 2. You'll develop key abilities in reading, writing, speaking, and listening, tailored to everyday contexts. Through practical exercises and interactive lessons, you'll learn to understand simple texts, write basic sentences and short paragraphs, and communicate effectively in familiar situations. Ideal for those looking to improve their basic English for personal use, further education, or employment, this course provides the essential tools to advance your proficiency and prepare for Functional Skills English assessments. Start your journey to better English today!

Course description

Unlock the basics of English with our Get Ready for Functional Skills English Entry Level 2 course. This course is tailored for individuals seeking to enhance their foundational English skills and prepare for the Entry Level 2 Functional Skills assessments. Ideal for beginners or those looking to refresh their abilities, this course provides a supportive and engaging environment to develop practical communication skills essential for daily life and work.

Course Highlights:

Reading Skills: Build your confidence in reading and understanding simple texts. You'll learn to identify key information, follow instructions, and comprehend basic written content encountered in everyday situations, such as notices, emails, and short articles.

Writing Skills: Gain the ability to write clearly and coherently. You'll practice composing basic sentences, forming short paragraphs, and using correct punctuation and grammar. The course covers practical writing tasks, including filling out forms, writing brief messages, and crafting simple descriptions.

Speaking and Listening: Enhance your verbal communication skills. Engage in activities that improve your ability to understand spoken information and express yourself clearly in familiar situations, such as casual conversations, giving and following directions, and making simple requests.

Practical Application: Focus on real-world use of English in common contexts. You'll engage with scenarios that reflect everyday interactions, helping you to apply your skills effectively in personal, social, and work-related settings.

Who Should Enroll:

This course is ideal for individuals looking to build a strong foundation in English, whether for personal development, further education, or employment. With a focus on practical and functional use of English, our interactive lessons are designed to boost your confidence and competence.

Join us to start your journey towards mastering Entry Level 2 English skills and achieving your educational and career goals. Enroll now to take the first step towards better communication and brighter opportunities!

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
