Free to £44.40

### How you'll learn

You'll join a small group of fellow learners for classes online in video meetings and materials will be provided in our virtual learning environment.

Got it!

Online

### Venue

Online

### Level of study

Pre-Entry

## Course overview

Each week focuses on a specific theme, progressively building your understanding. Learn how to handle common situations like applying bandages and slings, treating burns and scalds, performing CPR (Cardiopulmonary Resuscitation), and most importantly, knowing when to call an ambulance.

## **Course description**

Unlock Your Potential: Learn to identify your unique skills and strengths. We'll guide you in reframing negative self-perceptions and developing a positive self-image.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
