## **Course overview**

In today's fast-paced digital world, the ability to use a mobile device is more than just a convenience—it's a necessity. The Digital Skills Hub is excited to introduce a comprehensive 5-week course designed specifically for individuals who feel left behind in the digital age. Our "Get to Know Your Device" course aims to empower participants with the essential skills needed to confidently navigate and utilize their mobile devices. Join us at the Digital Skills Hub and embark on a journey towards mobile mastery. Empower yourself with the skills and confidence to navigate the digital world with ease and embrace the benefits of being connected in today's digital age. Don't let technology pass you by—take control of your digital destiny with our Mobile Mastery course! Aimed for people with a basic level of digital skill.

## **Course description**

In an era where communication is primarily digital, mastering your device ensures you can stay connected with loved ones, friends, and colleagues anytime, anywhere. Whether it's making a call, sending a text, or using social media, our course will help you stay connected with ease.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
