Level of study

Entry Level

Course overview

Prepare to strengthen your foundational math skills with our Get Ready for Maths Entry Level 3 course. Tailored for learners looking to enhance their basic numeracy, this course covers essential topics such as addition, subtraction, multiplication, division, and understanding simple fractions and measurements. Through practical exercises and real-world applications, you'll gain the confidence to handle everyday math tasks, from budgeting and shopping to interpreting data. Ideal for those preparing for Entry Level 3 Functional Skills Maths assessments or seeking to improve their math for personal or professional use, this course provides the stepping stone to numeracy success. This course is funded by the West Midlands Combined Authority. The Dolphin Centre is a women's only centre.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
