Level of study

Beginners

Course overview

This course provides an in-depth exploration of figure drawing, focusing on capturing accuracy and expression. Participants will learn essential techniques for drawing figures, including anatomy, proportion, gesture, and shading. Through live online sessions, guided exercises, and individual projects, students will develop their observational skills and artistic techniques to create dynamic and lifelike figure drawings. Emphasis will be placed on understanding the structure, conveying movement, and expressing personality through the figure.

Course description

This course provides an in-depth exploration of figure drawing, focusing on capturing accuracy and expression. We will introduce the materials to be used, and tools of the trade. Learners will learn techniques for quick sketches along with introducing light into their drawings. Learners will learn essential techniques for drawing figures, including anatomy, proportion, gesture, and shading. Through live online sessions, guided exercises, and individual projects, students will develop their observational skills and artistic techniques to create dynamic and lifelike figure drawings. Emphasis will be placed on understanding the structure, conveying movement, and expressing personality through the figure. Lessons will be delivered online with demonstrations. Assignments will include both structured exercises to build technical confidence and skills and independent projects to encourage creativity.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
