## **Course overview**

This pre-entry ESOL course will give you skills to communicate some basic ideas in English. Through a range of activities, you will develop your speaking, listening, reading and writing.

## **Course description**

The Pre-Entry ESOL course is designed to provide foundational language skills to individuals with limited English skills. This short course focuses on developing essential skills in reading, writing, speaking, and listening. Whether you are an absolute beginner or have some basic knowledge of English, this course will help you build a solid foundation for further language learning.

By the end of this Pre-Entry ESOL course, you will be able to:

- Understand and improve your speaking and writing skills
- Ask basic questions and understand the information given
- Respond to everyday requests
- Talk about yourself and share personal information confidently
- Use and understand a number of greetings

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
