## Level of study

Intermediate

## Course overview

Can you take part in conversations in Greek? This face-to-face course will refresh and expand the Greek you have learnt in the past and it will increase your confidence in communicating with the locals when in Greece or Cyprus. It will also give you a deeper insight into the Greek lifestyle and culture. The course is taught by a well-qualified and experienced native speaker with many years' teaching experience. Learning a foreign language for holiday or leisure is a great way to keep your brain active, explore a different culture, meet people with a common interest, increase your confidence and enhance your wellbeing. Take advantage of this unique opportunity today.

## Course description

Build on your existing knowledge of Greek and boost your speaking and listening skills so that you can communicate more confidently and effectively on a range of topics with Greek friends and acquaintances, or simply the locals when in Greece or Cyprus. The emphasis will be on developing your conversation skills and improving your fluency and accuracy in a friendly and supportive atmosphere and through a variety of fun activities, games and roleplays. You will also consolidate and improve your knowledge of grammar and vocabulary, and your reading and writing skills. You will have the opportunity to ask questions and be offered some personalised vocabulary. Topics include talking about past experiences, giving a detailed description of a room, understanding and giving instructions, arranging an outing with friends, understanding and giving detailed directions, and talking about house chores and errands. The course is taught by a well-qualified and experienced native speaker with many years' teaching experience who will help you explore the language and the culture further and increase your confidence in using your Greek language skills. This course is for learners who are at intermediate level. If you are not sure if this course is right for you, feel free to discuss it with WEA staff at skills check. Learning a foreign language for holiday or leisure is a great way to keep your brain active, explore a different culture, meet people with a common interest, increase your confidence and enhance your wellbeing. Take

advantage of this unique opportunity today.

## **What financial support is available?**

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

## **What other support is available?**

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
