Course description

This course is designed to help learners get even more confident when using English in their day to day lives and starting out their journey to gaining employment here in the UK. The course is designed for those learners who have some knowledge of the English language and they will be tested before enrolment to make sure that they are on the correct course for their level.

The course is designed to help empower learners to find more independence by being a step closer gaining employment. The course will be run face to face in a local friendly community venue where learners will be taught in a classroom by a qualified

tutor.

The classes will have a mixture of activities including activities to enhance their confidence through the learning of the essential skills such as speaking, listening, reading and writing. You will also learn essential job vocabulary, how to fill out forms and work toward improving your writing for job applications.

The course offered is unaccredited, however it is hoped that it can progress learners towards an accredited ESOL qualification in the new academic year.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
