Course overview

Knowing how to sign can make your communication more inclusive for everyone you interact with. Build on your skills in British Sign Language to be able to have deeper interactions with deaf people. This BSL course is suitable for you if you need to communicate with deaf people or people with hearing impairments. It can help you in a variety of contexts, for example in a voluntary or community role, or simply through social interactions. This course is aimed at intermediate learners. You will build on your existing BSL skills. If you would like to start from scratch, you can take the beginner's BSL course.
