Course overview

This 5-week course is designed to equip ESOL learners with the English language skills needed to successfully pass the UK driving theory test. Through focused practice and explanation, learners will develop their understanding of road rules, hazard perception, and vehicle handling, preparing them confidently for the test.

Course description

This course is the first part of a two-part series focused on preparing ESOL learners for the UK driving theory test. It covers essential English language skills related to driving, including vocabulary building, reading comprehension, and listening skills. Learners will be exposed to a variety of materials such as road signs, highway code explanations, and practice questions. Emphasis is placed on understanding and interpreting information in English, as well as developing the ability to answer questions accurately and efficiently. The course will provide ample opportunities for practice and feedback, ensuring learners are well-prepared for the challenges of the theory test.
