Level of study

Beginners

Course overview

This course will enable you to design and make hand built pottery. You will learn how to apply different decorating techniques to enhance the surface of clay work. You will have opportunities to explore personal projects developing creative skills and bring ideas to life. Make use of sketch books as part of research and idea development. Experience and share the excitement of the pottery process from raw clay to the fired kiln.

Course description

This course will enable you to design and make hand built pottery.

You will learn how to apply different decorating techniques to enhance the surface of clay work.

You will have opportunities to explore personal projects developing creative skills and bring ideas to life.

Make use of sketch books as part of research and idea development. Experience and share the excitement of the pottery process from raw clay to the fired kiln.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need

alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
