Level of study

Beginners

Course overview

It has been said that Shakespeare wrote with the spirit of a poet and the acuteness of a philosopher and through this fascinating course you will examine the links between his works and philosophy. This is a beginner's course which enables new or refreshed learning of the Shakespeare's timeless plots, interesting characters and key themes in his witty comedies and profound tragedies. While examining how Shakespeare depicts ancient yet modern ideas of power, ambition, revenge, love, good, evil, mercy and despair in drama, memorable imagery and poetic lines.

Course description

Come join us to explore some of William Shakespeare's famous plays while delving into the philosophical underpinnings. Practice your listening, reading, speaking and writing skills by engaging with several plays, including Hamlet, A Midsummer's Night's Dream, The Tempest and Macbeth to discover themes, meanings and philosophical questions. In Shakespeare's Renaissance age thinkers were discussing issues about knowledge causality, the nature of the self, as well as politics, ethics and religion and these topics all surface in his plays. A weekly slide presentation will include video clips, analysis and opportunities to develop your understanding of the literature through discussion and other personal responses.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
