Course overview

If you're interested in learning more about mental health issues, this level 1 course can teach you the foundational concepts. You'll get a view into the nature of mental health work and the issues that face people struggling with it. Level 1 health and social care courses about mental health can teach you the basic principles of mental health care. If you enjoy this course you can continue your learning in this area. Mental health awareness training can help you understand if this area of work interests you.

What financial support is available?

We don't want anything to stand in your way when it comes to bringing Adult learning within reach so if you need anything to support you to achieve your goals then speak to one of our education experts during your enrolment journey. Most of our courses are government funded but if you don't qualify or need alternative financial help to access them then let us know.

What other support is available?

All of our digital content, teaching and learning activities and assessments are designed to be accessible so if you need any additional support you can discuss this with the education experts during your enrolment journey and we will do all we can to make sure you have optimal access.
