Course overview

This course is targeted at our Esol level 1 students. It will help you learn how to save money and manage your budget. You will learn to create a simple budget, keep track of your spending, and find ways to save on bills. We will talk about saving on electricity, water, and heating bills, as well as tips for cheaper grocery shopping and finding good deals. You will also learn how to spend less on transport and entertainment. By the end of the course, you will know how to make your money go further and feel more in control of your finances.

Course description

This course is designed to help you save money and manage your budget better. You will learn how to create a simple budget that shows your income and expenses. We will teach you how to keep track of your spending and find areas where you can save money. You will discover tips for reducing your electricity, water, and heating bills. We will also cover smart ways to shop for groceries, such as using coupons and buying items on sale. You will learn how to find good deals on things you need and want. The course will also include advice on saving money on transportation, such as using public transport or carpooling. We will talk about affordable ways to enjoy entertainment, like free events and low-cost activities. Throughout the course, you will practice these skills with simple exercises and examples. By the end, you will have a clear plan for managing your money, spending less on bills, and saving more. This will help you feel more in control of your finances and achieve your financial goals. The course is easy to follow and perfect for ESOL Level 1 learners who want to improve their money management skills.
